

What is a Tailgating Party?

You might be surprised to learn that Tailgating originated in the United States. It's known as a social event that centers around an open tailgate or trunk section of a vehicle, typically adjoining a sporting event.

What is served at a Tailgate Party?

You can usually find all types of beverages, barbecued or grilled food, casual side dishes, and appetizers. People bring their own food, which is shared and sampled with others. Food and drinks are usually served Grab 'n Go style. People walk around visiting each other and cheering on their teams.

Where can you find a Tailgate party?

These are usually informal events organized by groups of friends and can be found in parking lots at stadiums or arenas, but now many of these informal parties are held at home or special centers.

When do they have these events?

Usually they are held as pre-game festivities associated with sporting events like football, basketball, hockey, soccer, or baseball games but occasionally you might see these parties at barbecues, concerts, or backyards of fans.

What is the best thing about Tailgating?

This type of party is for everyone. It's for families to get together alumni to support their favorite teams, friends to join and celebrate.
